Optional - Complete the following if you are a professional seller and would like us to link to you in our promotion:

Business Name _____

Website or Facebook Business Page _____

Briefly describe what types of items you plan to offer for sale (Antiques, collectibles, furniture, vintage clothing, toys, art, ephemera, etc.). Your description will help us in promoting the Flea Market.

GUIDELINES:

- There are 2 options for booth sizes (choose one):
15' x 15' - \$35 - each vendor will have one space to park a vehicle by their booth.
10'x10' - \$20 - vendors unload next to their booth then move the vehicle to a designated area.
For both space sizes, you will set up outdoors on grass in the Hillsdale Hamlet Park. You will need to supply your own pop-up tent, weights, and tables unless other arrangements are made.
There is a limited number of the smaller spaces. We will do our best to accommodate location requests but make no guarantees to meet those requests.
An "Early Bird" period will take place from 8-9AM with customers paying to shop early. Vendors should be fully set up prior to 8 AM. Customer entry after 9AM is free.
All vendors must have their vehicles parked by 7:30AM. Due to the tight confines of the Hamlet Park we cannot allow late set-ups.
All items brought in must be removed at the end of the event, including unsold goods, boxes and packing materials. Park must be vacated by 4:30PM.
The flea market fee, as set above, is payable in advance with this application. The deadline for application is May 1, 2018. Refund requests for legitimate reasons will be accepted only until May 15, 2018.
