102 *A Message for Our Unions*

This Employee Handbook has been developed by the Town of Hillsdale to assist you in getting acquainted with your employment with the Town. A cooperative labor-management relationship not only lends to a positive work environment but also helps ensure fair treatment in the workplace.

It is important that all employees understand the personnel policies and procedures and work rules outlined in this Employee Handbook. For union members, the collective bargaining agreement governs the terms and conditions of employment. You are encouraged to obtain a copy of your collective bargaining agreement from your union representative. Anywhere that the Agreement and this Handbook conflict, the Agreement will control. However, in certain instances where the Handbook covers an issue that is not the subject of bargaining, this Handbook will control. We have made every effort to acknowledge these situations. If you have any questions, you should contact your Department Head or union representative.

We hope that your career with the Town of Hillsdale will be an enjoyable experience.

200 THE CIVIL SERVICE SYSTEM

201 *The Unclassified and Classified Services*

Unclassified Service – In accordance with Civil Service Law and for purposes of this Employee Handbook, the term “Unclassified Service” will include all individuals who are Elected Officials and/or members of boards or commissions.

Classified Service – In accordance with Civil Service Law and for purposes of this Employee Handbook, the term “Classified Service” as defined by the Civil Service Law and the *Civil Service Rules for Classified Positions for Civil Service of Columbia County* will include all Town employees who are subject to the *Civil Service Rules for Classified Positions for Civil Service of Columbia County*. The Classified Service is divided into four jurisdictional classes:

- **Exempt** – those positions, other than unskilled labor positions, for which competitive or non-competitive examinations or other qualification requirements are not practicable (Civil Service Law, Section 41);
- **Competitive** – those positions for which it is practicable to determine merit and fitness by competitive examination;
- **Non-Competitive** – those positions not in the exempt class or the labor class for which it is not practicable to determine merit and fitness by competitive examination, but rather by a review of training and experience; and,
- **Labor** – unskilled labor positions, except those positions which can be examined for competitively.

202 *Civil Service Appointments*

Competitive Class – In accordance with Civil Service Law, the following types of appointments may be made to positions in the Competitive Class:

- **Permanent** – an appointment to a vacant position in the Competitive Class from an eligible list established as a result of examination, following successful completion of a probationary term;
- **Provisional** – an appointment to a vacant position in the Competitive Class when there is not an appropriate eligible list. A provisional appointee must take an examination whenever it is scheduled. Thereafter, a permanent appointment will be made on the basis of the eligible list resulting from the examination; or
- **Temporary** – an appointment to a position in the Competitive Class for reasons including, but not limited to: emergency work projects; planned termination of the position after a limited time; to replace an employee who is on a leave of absence; to fill a position funded through a temporary grant; or to fill a position vacated by the

promotion of another employee until the employee who has been promoted receives permanent status.

203 Examinations and Promotions

Examinations – In accordance with Civil Service Law, in the event there is a vacancy in a new or existing position in the Competitive Class which the Town intends to maintain, the Town will fill the vacancy by selection from the eligible list certified by the Columbia County Civil Service Commission of persons who have taken the appropriate Civil Service examination. The Columbia County Civil Service Commission will test and rank each candidate according to the individual's performance on the examination. In accordance with Civil Service Law Section 61, the Town will select one of the top three eligible candidates on the list willing to fill the position.

Promotions – The Town will offer opportunities for advancement for those employees who qualify. In the event the position is in the Competitive Class, a qualified employee must normally take a promotional examination and the above "one of three" rule will apply. An employee who wants to be promoted should become knowledgeable about the employee's present position and be aware of higher level positions for which the employee may be qualified.

204 Veterans Credits

Summary – An employee who is a veteran as defined by the Civil Service Law may be eligible to apply for veterans credits on a Civil Service examination. An employee who is a veteran should contact the Columbia County Civil Service Commission for details concerning these credits.

300 EMPLOYMENT MATTERS

301 Oath of Office

Requirement – Each Public Officer as defined in the Public Officers Law must take the Oath of Office in accordance with Town Law Section 25 and Public Officers Law Section 10, which must be administered prior to commencing the duties of the office. Each official who is re-elected or re-appointed to a subsequent term must take the Oath of Office for each term.

Upon original appointment or upon a new appointment following an interruption of continuous service, each employee (other than an employee in the labor class) must take an oath or alternate affirmation as set forth in Civil Service Law Section 62.

Filing of Oath – The Oath of Office is filed in the Town Clerk's Office within thirty calendar days of the Public Officer's commencement of the term of office, or upon an employee's appointment.

302 Procedure for Filling Vacancies

Statement of Compliance – The Town of Hillsdale is an Equal Opportunity Employer. The Town complies with all applicable federal, state and local laws, rules, and regulations throughout the employee selection process, including, but not limited to, Public Officers Law, Town Law, Civil Service Law, Title VII, Human Rights Law, the Age Discrimination in Employment Act, and the Americans with Disabilities Act.

Notification of Vacancies – In the event there is a vacancy in a new or existing position which the Town intends to maintain, the vacancy may be advertised and/or posted and qualified individuals interviewed. The Town reserves the right to fill a position either internally or with an external candidate.

Employment Applications – The Town relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the Town's exclusion of the individual from further consideration for employment or disqualification if the conduct is discovered after employment commences.

Employment Reference Checks – To ensure that individuals who join the Town are well qualified and have a strong potential to be productive and successful, it is the policy of the Town to check the employment references of final applicants.

Pre-Employment Physicals / Drug Screening – When appropriate in accordance with the requirements of a particular position, the Town may require that an applicant undergo a medical examination (after receiving a conditional offer of employment) to determine fitness for duty. In doing so, the Town will comply with the provisions of the Americans with Disabilities Act (see Section 802 of this handbook.) Additionally, all final applicants for a position that requires a commercial driver's license must consent to be tested for the presence of a controlled substance as a pre-qualifying condition to employment.

303 Employment of Relatives

Policy Statement – A member of an employee’s immediate family may be considered for employment by the Town if the applicant possesses all of the qualifications for employment. An immediate family member may not be hired, however, if the employment would create either a direct or indirect supervisory/subordinate relationship with the family member; or create either an actual conflict of interest or the appearance of a conflict of interest. These criteria will also be considered when assigning, transferring or promoting an employee.

Definition of Immediate Family – For purposes of this policy, “immediate family” includes the employee’s spouse or domestic partner, brother, sister, parents, children, step-children, father-in-law, mother-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, and any other member of the employee’s household.

Elected Officials – This policy is not intended to supersede the appointing authority of Elected Officials and does not apply to such appointments.

Marriage – Employees who marry or become members of the same household may continue employment as long as there is not a direct or indirect supervisor/subordinate relationship between the employees, or an actual conflict of interest or the appearance of a conflict of interest. Should one of the above situations occur, the Town will attempt to find a suitable position with the Town to which one of the affected employees may be appointed. Such appointment must be in accordance with applicable state and local statutes, including Civil Service Law and related rules and regulations. If accommodations of this nature are not feasible, the employees will be permitted to determine which one of them will resign.

Competitive Class Positions – This policy is not intended to supersede civil service regulations pertaining to appointments made to competitive class positions. Therefore, this policy cannot be used as a basis for denying the appointment of an individual to a competitive class position even if such appointment would constitute the employment of a relative as defined by this policy.

304 Probationary Period

Except as otherwise provided in a collective bargaining agreement, the *Civil Service Rules for Classified Positions for Civil Service of Columbia County* provide for the following, which is applicable to employees appointed, promoted or transferred pursuant to the Civil Service laws. Additional provisions may also apply in accordance with those rules.

Purpose of Probationary Period – The purpose of the probationary period is for an employee to become familiar with the specific duties and responsibilities of the employee's new position. The probationary period also provides the Department Head or other appointing authority with an opportunity to evaluate the employee's job performance and potential for development in the position.

Length of Probationary Period – Except as otherwise provided in the *Civil Service Rules for Classified Positions for Civil Service of Columbia County*, every permanent appointment from an open-competitive list and every permanent appointment to a position in the non-competitive, exempt or labor class shall be for a probationary term of not less than twelve (12) weeks nor more than fifty-two (52) weeks. The length of the probationary period may be extended in accordance with the *Civil Service Rules for Classified Positions for Civil Service of Columbia County*.

Successful Completion of Probationary Period – An employee's appointment will become permanent upon written notice that the probationary period has been successfully completed following the minimum period of service required. Or, the employee's appointment will become permanent upon the retention of the employee after completion of the maximum period of service required. **Except as otherwise provided by law or a collective bargaining agreement, completion of the probationary period does not necessarily confer rights or privileges in the position.**

Employment Status During Probationary Period – During the probationary period (at any time after the completion of the minimum probationary period and before completion of the maximum probationary period), an employee will be subject to demotion, suspension, or discharge at the Town's sole discretion. If the performance or conduct of an employee serving a probationary period who has been promoted or transferred from a permanent appointment (as defined by civil service regulations) is not satisfactory, the employee shall be returned to the employee's former permanent position prior to the end of the probationary period.

305 New Employee Orientation

Procedure – The purpose of the new employee orientation is to welcome new employees and to familiarize them with the Town and their job. The orientation process generally consists of, but is not limited to, a tour of the employee's assigned worksite, distribution and review of this employee handbook, and enrollment in benefit plans, if applicable. In addition, the employee's Department Head or the Town Board member responsible for the HR function is responsible for introducing the employee to co-workers, scheduling on-the-job training, and reviewing the performance requirements of the position.

306 **Corrective Action and Discipline**

Policy Statement – It is the policy of the Town of Hillsdale that certain rules and regulations regarding employee behavior are necessary for the benefit and safety of all employees, the efficient operation of the Town, and the delivery of services to residents of the Town. Any conduct that interferes with operations or that discredits the Town will not be tolerated. Each employee must conduct oneself in a positive manner so as to promote the best interests of the Town. Corrective action is necessary when an employee has demonstrated performance deficiencies, or has violated a policy, rule, regulation, or procedure. Corrective action may include counseling or initiating formal disciplinary action against an employee.

Communication – Open and candid communications with all employees is an important aspect of the Town of Hillsdale’s on-going employee relations. When a rule, policy, or procedure is violated, the employee’s Department Head, or other designated supervisor, will review the specific nature of the violation with the employee. The employee’s input is extremely important to ensure that all of the facts have been considered.

Counseling – Counseling employees, as opposed to initiating formal disciplinary action, may be the appropriate first step in addressing performance deficiencies or misconduct. The purpose of counseling is to inform the employee of such deficiencies or misconduct, discourage its recurrence, and inform the employee of the consequences if the behavior is repeated. When performance deficiencies are the issue, the performance standards of the job should be reviewed, along with specific examples of how the employee is not meeting those standards. Where appropriate, goals for improvement may be established, along with a time frame for achieving them. The counseling will be documented in writing and the employee will be required to acknowledge receipt by signing the memorandum. Any employee who fails to follow a supervisor’s directive to sign the counseling memorandum to acknowledge receipt will be subject to disciplinary action.

Discipline – The purpose of disciplinary action is to impose penalties for performance deficiencies or misconduct. In **normal circumstances**, the Town endorses a policy of progressive discipline which includes, but may not be limited to, documented verbal reprimand, letters of reprimand, suspension without pay, or termination of employment, depending on the circumstances. The Town retains the right to discipline employees without engaging in progressive discipline or prior counseling if the situation so warrants and retains the right to discipline employees in any manner it sees fit.

Investigations – Where appropriate, an investigation will be conducted by the proper supervisor or other designated individual(s) in order to gather all pertinent information and to ensure that all the facts are considered. The investigation may include, among other things, interviews with the employee and any witnesses or other involved parties, and review of documents and materials. Employees who are participants in an investigation are not allowed to disclose the content or particulars of the investigation unless otherwise authorized. All employees who are called upon to participate in an investigation are required to fully cooperate in the process and respond truthfully to all questions posed. Failure to do so will subject the employee to appropriate corrective action. The Town reserves the right to suspend an employee while an investigation is conducted.

During the investigation process, a union employee who appears to be a potential subject of disciplinary action may undergo questioning. Such employee will have the right to representation by the employee’s certified or recognized employee organization under Civil

Service Law Article 14, and will be given advanced notice of such right. In the event the employee requests representation, the employee will be allowed a reasonable period of time to obtain such representation. In the event the employee is unable to obtain such representation within a reasonable period of time, the employer will have the right to then question the employee.

Procedures – Employees covered by **Civil Service Law Section 75** shall be disciplined in accordance with the procedures contained therein. (Refer to Section 307 of this Employee Handbook). An employee who is a member of a collective bargaining unit should refer to the collective bargaining agreement on the subject of the disciplinary procedure, wherein the negotiated procedure is the only method of resolving challenges to disciplinary action and wholly replaces the provisions of Civil Service Law Sections 75 and 76.

Prohibited Conduct – Any employee who, after investigation, is found to have committed any of the actions listed below will be subject to corrective action, up to and including termination of employment. This list is illustrative only and does not limit the Town's right to impose discipline in other appropriate cases.

- Willful violation of Town's rules, policies, and procedures.

702 Disclosure of Insurance Benefits

Eligibility for benefits is dependent upon a variety of factors, including employment classification and length of service. The description of the benefits provided is only an overview. The plan documents or specific government regulation provide a full description of the specific benefit.

The Administrator is responsible for all communications and disclosures concerning Town benefits and is available to answer questions concerning the benefit plans. A description of each of the plans may be obtained from the Highway Superintendent.

Plan Documents – Benefits are administered according to applicable government regulation, benefit plan documents, insurance carrier master policy, or Town policy. Should there be a discrepancy between the information presented in this Employee Handbook and the benefit plan document, the Town Board has the discretionary authority to determine eligibility for benefits and to interpret the plan's terms. The Town Board is responsible for compliance with all applicable laws and regulations. Changes in carriers and/or plans for union employees shall be in accordance with collective bargaining negotiations and/or procedures.

Changes in Benefits – Any benefit offered by the Town to non-union employees or Elected Officials is subject to change or discontinuance by resolution of the Town Board. Changes in benefits for union employees shall be in accordance with collective bargaining negotiations and/or procedures.

Waiver of Benefits – An employee who is eligible to participate in any of the available insurance plans but who elects not to participate must sign an appropriate waiver of enrollment form.

This notification contains all legally mandated information regarding applicable benefits, including COBRA health insurance continuation. 704 Continuation of Health Insurance Benefits (COBRA/NYS Continuation Coverage)

Summary – The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) offers “qualified beneficiaries” the right to continue existing health insurance coverage, completely at their own expense, under certain qualifying conditions. **All required premiums and administrative fees must be paid in a timely manner in order for coverage to continue.**

NYS Continuation Coverage – For purposes of this policy, references to COBRA will be considered to incorporate the requirements for “Continuation Coverage” set forth in NYS Insurance Law, which provides enhancements over and above the provisions of COBRA.

Eligibility – An individual is a “qualified beneficiary” if the individual is covered under a group health plan on the day before a qualifying event as either a covered employee or Elected Official, the spouse of a covered employee or Elected Official, or a dependent child of a covered employee or Elected Official. A child who is either born to or who is placed for adoption with the covered employee or Elected Official during a period of COBRA coverage is also a “qualified beneficiary” entitled to COBRA coverage.

Period of Coverage – COBRA coverage is in effect for a period of **up to thirty-six months**, following any qualifying event. The COBRA requirements do not put any limit on the number of times a qualified beneficiary may be entitled to COBRA continuation coverage.

Qualifying Events – If a qualified beneficiary loses coverage under a group health plan as a result of a “qualifying event,” the qualified beneficiary is entitled by COBRA to the continuation of group health insurance coverage at the qualified beneficiary’s own expense. Any of the following circumstances are considered to be qualifying events:

- When a covered employee is on a leave of absence due to military service obligations.
- Death of a covered employee or Elected Official.
- Divorce or legal separation from a covered employee or Elected Official.
- A covered dependent ceases to be a “dependent child” under the health insurance plan.
- A covered dependent child’s loss of eligibility to participate in the insurance plan due to the covered employee or Elected Official becoming covered by Medicare as a result of total disability or choosing Medicare in place of the insurance plan at age sixty-five.

Change in Beneficiary Status – An employee or Elected Official must notify the Town Clerk within sixty calendar days of a legal separation or divorce or when a dependent is no longer eligible for insurance due to the age limitations or educational status requirements established by the insurance plan. The Town will not be responsible for any loss of coverage resulting from failure by the employee or Elected Official to give notification of such an event.

Enrollment Information – The Town Clerk will provide the employee or Elected Official with the enrollment forms and assist with the administrative and operational aspects of COBRA. **Enrollment is not automatic. The employee or Elected Official must complete the necessary enrollment forms and return all COBRA forms to the Town Clerk within the time indicated.** If the required forms or premium payments are not received at the time specified, medical insurance coverage will cease.

800 COMPLIANCE POLICIES

801 *Equal Employment Opportunity*

Policy Statement – The Town of Hillsdale is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of race, religion, color, sex, age, national origin, citizenship, disability, marital status, pregnancy, application to or present membership in the uniformed services, veteran status, arrest or conviction record, genetic information, genetic predisposition or carrier status, sexual orientation, domestic violence victim status, or any other protected class or status. Likewise, the Town prohibits employees, Elected Officials, vendors, suppliers, visitors, customers, and any other non-employee from discriminating against Town employees based on these protected groups. Discrimination based on any of the above is strictly prohibited. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, compensation, promotion, transfer, training, leave of absence, and termination.

Notification of Policy Violations – An employee should immediately report any perceived violation of this policy to the employee's Department Head or the Town Board member responsible for the HR function. In the event the employee is unable to discuss this matter with the Department Head, the complaint should be reported in writing to the Town Supervisor or any member of the Town Board. All complaints of discrimination will be investigated discreetly and promptly. This procedure is not intended to restrict an individual's rights to make a complaint to a federal or state agency. An employee who reports discrimination will not suffer adverse employment consequences as a result of making the complaint.

Prohibition Against Retaliation – Retaliation against any employee who brings a written or verbal complaint of discrimination or who assists or participates in the investigation of such a complaint is strictly prohibited. The Town will not tolerate or permit adverse treatment of employees because they report discrimination or provide information related to such complaints, or who otherwise oppose an unlawful employment practice. Any employee who participates in the procedure may do so without fear of retaliation. Violations of this policy may result in disciplinary action up to and including termination of employment.

Application of Policy – This policy is for Town use only and does not apply in any criminal or civil proceeding. This policy shall not be construed as a creation of higher legal standard of safety or care in an evidential sense with respect to third party claims. Violations of this policy will only form the basis for Town administrative action. Violations of law will form the basis for civil and criminal sanctions in a recognized judicial setting.

802 The Americans with Disabilities Act

Policy Statement – It is the policy of the Town of Hillsdale to comply fully with the provisions and spirit of the Americans with Disabilities Act and ensure equal employment opportunity for all qualified persons with disabilities. All employment practices, such as recruitment, hiring, promotion, demotion, layoff and return from layoff, compensation, job assignments, job classifications, paid or unpaid leave, fringe benefits, training, employer-sponsored activities, including recreational or social programs, will be conducted so as not to discriminate unlawfully against persons with disabilities. This also extends to prohibit unlawful discrimination based on a person's relationship or association with a disabled individual. Qualified individuals with disabilities are entitled to equal pay and other forms of compensation (or changes in compensation) along with work assignments, classifications, seniority, leave, and all other forms of employment compensation or advantage.

Reasonable Accommodation – Reasonable accommodation is available to all qualified employees and applicants with disabilities, unless it imposes an undue hardship on the Town and/or operations of a program. The Town may require medical documentation or other information necessary to verify the existence of the disability and the need for accommodation. Following receipt of an accommodation request, the Town will meet with the requestor to discuss and identify the precise limitations resulting from the disability and the potential accommodation(s) that the Town might make to help overcome those limitations.

The Town will determine the feasibility of the requested accommodation considering various factors, including, but not limited to the nature and cost of the accommodations(s), and the accommodation's impact on Town operations.

Pre-Employment Inquiries – Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position and not any disabling condition. Pre-employment physical exams will only be requested when in compliance with the law. The Town of Hillsdale intends to base employment decisions on principles of equal employment opportunity and nondiscrimination, as defined by law.

This procedure is not intended to restrict an individual's rights to make a complaint to a federal or state agency.

Application of Policy – This policy is for Town use only and does not apply in any criminal or civil proceeding. This policy shall not be construed as a creation of higher legal standard of safety or care in an evidential sense with respect to third party claims. Violations of this policy will only form the basis for Town administrative action. Violations of law will form the basis for civil and criminal sanctions in a recognized judicial setting.

803 ***Non-Discrimination and Harassment in the Workplace***

Policy Statement – It is the policy of the Town of Hillsdale to promote a productive work environment and to prohibit conduct by any Elected Official or employee (as defined in Section 104 of the Employee Handbook) that disrupts or interferes with another’s work performance or that creates an intimidating, offensive, or hostile work environment. In keeping with this goal, the Town is committed to educate Elected Officials and employees in the recognition and prevention of workplace discrimination and harassment and to provide an effective means of eliminating such discrimination and harassment from the workplace. In short, the Town does not tolerate any form of discrimination or workplace harassment and will take all steps necessary to prevent and stop the occurrence of such activity in the workplace. The accompanying complaint procedure is intended to provide an effective mechanism for reporting, and resolving promptly, complaints of discrimination and harassment without any risk of repercussion to any individual covered by this policy who, in good faith, files such complaint.

Applicability of Policy – This policy applies to all Elected Officials, Appointed Members of Boards, employees, and Department Heads, whether employed full or part-time, temporary or seasonal, volunteers, independent contractors and those employed by companies contracting to provide services in the workplace. Depending on the extent of the Town’s exercise of control, this policy may be applied to the conduct of non-Town employees with respect to harassment of Town employees in the workplace.

Prohibited harassment is not limited to the physical workplace itself. It can occur while Elected Officials, employees or other individuals covered by this policy are traveling for Town business or at Town sponsored events or parties. Calls, texts, emails, and social media usage by employees or other individuals covered by this policy can constitute workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Prohibited Activity – No Elected Official, employee or other individuals covered by this policy shall engage in any of the following:

- **Harassment**: Unwanted, unreasonable verbal or physical conduct directed toward or affecting another person that disturbs, frightens, insults, threatens, intimidates, demeans, or offends that other person, that continues or is repeated after a request to cease, and that: 1) has the purpose or effect of creating an intimidating, hostile, or offensive work environment; 2) has the purpose or effect of unreasonably interfering with an individual’s work performance; or 3) otherwise adversely affects an individual’s employment opportunities. Harassment includes offensive or inappropriate images or written materials or electronic communications (e.g. letters, e-mail, text messages, or graffiti) as well as bias-based harassment.
- **Bias-Based Harassment**: Harassment that denigrates, offends or shows hostility or aversion toward an individual on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Bias-based harassment includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating, or hostile acts; denigrating jokes; and written, electronic, or graphic material that denigrates, ridicules, objectifies, or shows hostility, aversion or

contempt toward an individual or group and that is placed on walls, bulletin boards, lockers or elsewhere on or in the Town's premises, vehicles, or equipment, or is circulated in the workplace, including through electronic means.

- **Discrimination:** The Town of Hillsdale is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity and the status of being transgender), sexual orientation, race, color, national origin, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or predisposing characteristics, domestic violence victim status, or any other protected status. Unlawful discrimination based on membership in these categories is prohibited by applicable federal, state, or local laws. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, assignments, compensation, promotion, transfer, training, leave of absence, and termination.

Prohibition Against Retaliation – Unlawful retaliation can be any action that could discourage an employee from coming forward to make or support a claim of discrimination or harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Unlawful retaliation against any employee who has engaged in “protected activity” is strictly prohibited by this policy as well as (where applicable) federal, state, and local law. Protected activity occurs when a person has:

- made a complaint of harassment or discrimination, either internally or with any anti-discrimination agency;
- opposed harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a supervisor or management of harassment or discrimination;
- reported that another employee has been subjected to workplace harassment or discrimination;
- encouraged a fellow employee to report workplace harassment or discrimination;
- participated in a workplace investigation regarding workplace harassment or discrimination;
- testified or assisted in a proceeding involving harassment or discrimination under the Human Rights Law or other anti-discrimination laws.

Even if the alleged discrimination or harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of discrimination or harassment.

Supervisory Responsibility – Supervisory personnel must make every effort to ensure a work environment that is free from discrimination and harassment. Any Department Head or Elected Official who receives a complaint or information about suspected prohibited activity (as outlined above), observes behavior that may constitute prohibited activity, or for any reason suspects that prohibited activity is occurring, is required to report such suspected prohibited activity to the Town Supervisor, or any member of the Town Board.

In addition to being subject to corrective action or discipline if they engaged in prohibited activity themselves, supervisory personnel will be subject to discipline for failing to report suspected prohibited activity or otherwise knowingly allowing prohibited activity to continue. Supervisory personnel will also be subject to corrective action or discipline for engaging in any form of retaliation prohibited by this policy.

Investigation of Complaint – The Town Supervisor, in consultation with the Town Board, will determine the appropriate individual(s) to conduct the investigation. All complaints pursuant to this policy, whether reported in verbal or written form, will be investigated promptly, thoroughly, and in as impartial a manner as possible. The investigation will normally include conferring with the parties involved and any named or apparent witnesses. All employees are required to cooperate in an investigation, if so directed. All persons involved, including complainants, witnesses and alleged perpetrators will be accorded due process to protect their rights to a fair and impartial investigation. All relevant materials, including all electronic communications, documents, emails or phone records that are relevant to the allegations will also be considered. A written report will be prepared documenting the results of the investigation. The individual who reported the complaint and the individual about whom the complaint was made will be notified of the final determination.

Confidentiality – Complaints of discrimination and harassment will be handled and investigated promptly and in a manner that is as impartial and confidential as possible. In no event will information concerning a complaint be released by the Town to third parties or to anyone within the Town employment who is not directly involved in the investigation or handling of the complaint unless otherwise required by law.

Corrective Action and Discipline – Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75, or a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

804 Sexual Harassment Prevention Policy

Introduction – The Town of Hillsdale is committed to maintaining a workplace free from sexual harassment. Sexual harassment is a form of workplace discrimination. All employees are required to work in a manner that prevents sexual harassment in the workplace. This Policy is one component of the Town of Hillsdale’s commitment to a discrimination-free work environment. Sexual harassment is against the law and all employees have a legal right to a workplace free from sexual harassment and employees are urged to report sexual harassment by filing a complaint internally with the Town of Hillsdale. Employees can also file a complaint with a government agency or in court under federal, state or local antidiscrimination laws.

Policy:

- 1) The Town of Hillsdale’s policy applies to all employees, applicants for employment, interns, whether paid or unpaid, contractors and persons conducting business, regardless of immigration status, with the Town of Hillsdale. In the remainder of this document, the term “employees” refers to this collective group.
- 2) Sexual harassment will not be tolerated. Any employee or individual covered by this policy who engages in sexual harassment or retaliation will be subject to remedial and/or disciplinary action (e.g., counseling, suspension, termination).
- 3) Retaliation Prohibition: No person covered by this Policy shall be subject to adverse action because the employee reports an incident of sexual harassment, provides information, or otherwise assists in any investigation of a sexual harassment complaint. The Town of Hillsdale will not tolerate such retaliation against anyone who, in good faith, reports or provides information about suspected sexual harassment. Any employee of the Town of Hillsdale who retaliates against anyone involved in a sexual harassment investigation will be subjected to disciplinary action, up to and including termination. All employees, paid or unpaid interns, or non-employees working in the workplace who believe they have been subject to such retaliation should inform a Department Head, the Town Supervisor, or a designated member of the Town Board. All employees, paid or unpaid interns or non-employees who believe they have been a target of such retaliation may also seek relief in other available forums, as explained below in the section on Legal Protections.
- 4) Sexual harassment is offensive, is a violation of our policies, is unlawful, and may subject the Town of Hillsdale to liability for harm to targets of sexual harassment. Harassers may also be individually subject to liability. Employees of every level who engage in sexual harassment, including managers and supervisors who engage in sexual harassment or who allow such behavior to continue, will be penalized for such misconduct.
- 5) The Town of Hillsdale will conduct a prompt and thorough investigation that ensures due process for all parties, whenever management receives a complaint about sexual harassment, or otherwise knows of possible sexual harassment occurring. The Town of Hillsdale will keep the investigation confidential to the extent possible. Effective corrective action will be taken whenever sexual harassment is found to have occurred. All employees, including managers and supervisors, are required to cooperate with any internal investigation of sexual harassment.

- 6) All employees are encouraged to report any harassment or behaviors that violate this policy. The Town of Hillsdale will provide all employees a complaint form for employees to report harassment and file complaints.
- 7) Managers and supervisors are required to report any complaint that they receive, or any harassment that they observe or become aware of to the Town Supervisor or a Town Board member.
- 8) This policy applies to all employees, paid or unpaid interns, and non-employees and all must follow and uphold this policy. This policy must be provided to all employees and should be posted prominently in all work locations to the extent practicable (for example, in a main office, not an offsite work location) and be provided to employees upon hiring.

What is “Sexual Harassment”? – Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity and the status of being transgender.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual’s sex when:

- Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- Such conduct is made either explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual’s employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual’s sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient’s job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called “quid pro quo” harassment.

Any employee who feels harassed should report so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment – The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited:

- Physical acts of a sexual nature, such as:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body or poking another employee's body;
 - Rape, sexual battery, molestation or attempts to commit these assaults.
- Unwanted sexual advances or propositions, such as:
 - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments;
 - Subtle or obvious pressure for unwelcome sexual activities.
- Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.
- Sex stereotyping occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity and the status of being transgender, such as:
 - Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, name-calling.

Who can be a target of sexual harassment? - Sexual harassment can occur between any individuals, regardless of their sex or gender. New York Law protects employees, paid or unpaid interns, and non-employees, including independent contractors, and those employed by companies contracting to provide services in the workplace. Harassers can be a superior, a subordinate, a coworker or anyone in the workplace including an independent contractor, contract worker, vendor, client, customer or visitor.

Where can sexual harassment occur? - Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer sponsored events or parties. Calls, texts, emails, and social media usage by employees can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices or during non-work hours.

Retaliation – Unlawful retaliation can be any action that could discourage a worker from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in “protected activity.” Protected activity occurs when a person has:

- made a complaint of sexual harassment, either internally or with any anti-discrimination agency;
- testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;
- opposed sexual harassment by making a verbal or informal complaint to management, or by simply informing a supervisor or manager of harassment;
- reported that another employee has been sexually harassed; or
- encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Sexual Harassment:

Preventing sexual harassment is everyone’s responsibility. The Town of Hillsdale cannot prevent or remedy sexual harassment unless it knows about it. Any employee, paid or unpaid intern or non-employee who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a Department Head, the Town Supervisor or the designated Town Board member. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior to a Department Head, the Town Supervisor or the designated Town Board member.

Reports of sexual harassment may be made verbally or in writing. A form for submission of a written complaint is attached to this Policy, and all employees are encouraged to use this complaint form. Employees who are reporting sexual harassment on behalf of other employees should use the complaint form and note that it is on another employee’s behalf.

Employees, paid or unpaid interns or non-employees who believe they have been a target of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities – All supervisors and managers who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to the Town Supervisor or a Town Board member.

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors and managers will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors and managers will also be subject to discipline for engaging in any retaliation.

Complaint and Investigation of Sexual Harassment – All complaints or information about sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. The investigation will be kept confidential to the extent possible. All persons involved, including complainants, witnesses and alleged harassers will be accorded due process, as outlined below, to protect their rights to a fair and impartial investigation.

Any employee may be required to cooperate as needed in an investigation of suspected sexual harassment. The Town of Hillsdale will not tolerate retaliation against employees who file complaints, support another's complaint or participate in an investigation regarding a violation of this policy.

While the process may vary from case to case, investigations should be done in accordance with the following steps:

- Upon receipt of complaint, a designated Town Board member will conduct an immediate review of the allegations, and take any interim actions (e.g., instructing the respondent to refrain from communications with the complainant), as appropriate. If complaint is verbal, encourage the individual to complete the "Complaint Form" in writing. If he or she refuses, prepare a Complaint Form based on the verbal reporting.
- If documents, emails or phone records are relevant to the investigation, take steps to obtain and preserve them.
- Request and review all relevant documents, including all electronic communications.
- Interview all parties involved, including any relevant witnesses;
- Create a written documentation of the investigation (such as a letter, memo or email), which contains the following:
 - A list of all documents reviewed, along with a detailed summary of relevant documents;
 - A list of names of those interviewed, along with a detailed summary of their statements;
 - A timeline of events;
 - A summary of prior relevant incidents, reported or unreported; and
 - The basis for the decision and final resolution of the complaint, together with any corrective action(s).

- Keep the written documentation and associated documents in a secure and confidential location.
- Promptly notify the individual who reported and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.
- Inform the individual who reported of the right to file a complaint or charge externally as outlined in the next section.

Legal Protections and External Remedies – Sexual harassment is not only prohibited by the Town of Hillsdale but is also prohibited by state, federal, and, where applicable, local law.

Aside from the internal process at the Town of Hillsdale, employees may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, you may seek the legal advice of an attorney.

In addition to those outlined below, employees in certain industries may have additional legal protections.

New York State Division of Human Rights (DHR)

The Human Rights Law (HRL) applies to employers in New York State with regard to harassment and protects employees and non-employees regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with DHR or in New York State Supreme Court. Complaints with DHR may be filed any time within three years of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, within three years of the alleged discrimination. An individual may not file with DHR if they have already filed an HRL complaint in state court. Filing an internal complaint with the Town does not extend the time limits to file with DHR or in court. The three years is counted from date of the most recent incident of harassment. An attorney is not needed to file a complaint with DHR, and there is no cost to file with DHR. DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the Town to take action to stop the harassment, or redress the damage caused, including paying monetary damages, attorney's fees and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458, (718) 741-8400. Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

United States Equal Employment Opportunity Commission (EEOC)

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court. The EEOC does not hold hearings or award relief but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. If an employee believes that he/she has been discriminated against at work, he/she can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov. If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the County Sheriff's Department or State Police

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the County Sheriff's Department or the New York State Police.

805 Reproductive Health Decision Making

Policy Statement – The Town of Hillsdale complies with NYS Labor Law Section 203-e which prohibits discrimination or retaliation against employees based on an "employee's or a dependent's reproductive health decision making," including, but not limited to, the decision to use or access a particular drug, device, or medical service related to reproductive health.

Prohibited Conduct – The Town will not:

- Access an employee's personal information regarding the employee's or the employee's dependent's reproductive health decision making, including but not limited to the decision to use or access a particular drug, device or medical service, without the employee's prior informed affirmative written consent.
- Discriminate or retaliate against an employee with respect to compensation, terms, conditions or privileges of employment based on the employee's or the employee's dependent's reproductive health decision making, including but not limited to a decision to use or access a particular drug, device or medical service.
- Require an employee to sign a waiver or other document that denies the employee the right to make the employee's own reproductive health care decisions.

Employee Rights and Remedies – The law gives an employee the right to bring a civil action in any court of competent jurisdiction against an employer alleged to have violated the law. Available remedies include: (a) damages, including, but not limited to, back pay, benefits and reasonable attorneys' fees and costs; (b) injunctive relief; (c) reinstatement; and (d) liquidated damages equal to 100 percent of the award for damages, unless an employer provides a good faith basis to believe that its alleged violations were in compliance with the law.

806 Violence in the Workplace

Policy Statement – The Town of Hillsdale is committed to providing its employees with a work environment that is safe, secure, and free from violence. The Town also considers the safety of its residents, vendors, contractors, and the general public (collectively referred to as “visitors”) to be of paramount importance and strives to provide them the same type of protections while on Town property.

Prohibited Conduct – The Town has zero tolerance for violence of any kind in the workplace, including but not limited to, physical assault (e.g., hitting, pushing), threatening, intimidating, or aggressive behavior, or verbal abuse or harassment. In addition, employees and visitors are prohibited from possessing firearms or weapons (e.g., guns, knives, explosives, and other items with the intention to inflict harm) in the workplace, even if licensed to carry the weapon. The only exceptions are law enforcement and authorized security personnel. An employee who has knowledge that a coworker or visitor possesses a weapon on Town property must report this to a Department Head or the Town Board member responsible for the HR function immediately.

For the purpose of this program, the workplace is defined as any location away from an employee’s home, either permanent or temporary, where the employee performs any work-related duty in the course of employment. This includes, but is not limited to, Town-owned buildings and surrounding perimeters, parking lots, work sites, clients’ homes, and traveling to and from work assignments.

Reporting Requirements – Any incident of workplace violence or imminent danger must be promptly reported to the Department Head, the Town Board member responsible for the HR function or the Town Supervisor.

Policy Violations – Violations of this policy will result in appropriate remedial, disciplinary, and/or legal action, according to the circumstances.

Prohibition Against Retaliation – An employee will not be subject to criticism, reprisal, retaliation, demotion, discrimination, disciplinary action, or other adverse employment action for making a good faith report of acts pursuant to this program.

807 Drug-Free Workplace / Drug Free Awareness Program

Policy Statement – It is the policy of the Town of Hillsdale that the unlawful manufacture, distribution, dispensation, possession, or use of an illegal controlled substance as defined in the Federal Drug-Free Workplace Act, is prohibited on the job or at the workplace.

Coverage – The Town of Hillsdale’s Drug-Free Workplace Policy pertains to all individuals who are employed by the Town of Hillsdale.

Compliance with Federal Drug-Free Workplace Act – The Federal Drug-Free Workplace Act of 1988 is applicable to all recipients of Federal grants. In order to receive federal funds, the Town must certify to the granting Federal agency that it will provide a drug-free workplace in accordance with the legislation. As a recipient of Federal grants, the Town hereby complies with the requirements of the Drug-Free Workplace Act by adopting this policy and drug-free awareness program:

Prohibited Conduct – No employee shall use, sell, distribute, dispense, possess, or manufacture any alcoholic beverage, marijuana product, illegal drugs, or any other intoxicating substance, nor be under the influence of such, while on duty, at any job site or workplace, or in a Town vehicle, a vehicle leased for Town business, or a privately owned vehicle being used for Town business. An employee who, after investigation, is found to have violated this prohibition may be referred for counseling or rehabilitation and satisfactory treatment and will be subject to criminal, civil and disciplinary penalties, up to and including termination of employment. Any work-related accident or injury involving a Town vehicle, equipment, and/or property where it can be demonstrated that the use of alcohol, marijuana product(s), illegal drugs, or any other intoxicants may have been a contributing factor will result in disciplinary action which may include penalties up to and including termination of employment.

Use of Prescription and Over-the-Counter Drugs – Prescription drugs must be in the possession of the individual to whom the prescription was written, taken in the dosage prescribed, and maintained in their original containers. Employees in public safety or safety-sensitive positions must inform their supervisors of any prescription or legal, nonprescription (i.e., over-the-counter) drugs they are currently taking that could in any way affect or impair the employee's ability to perform the job safely. The legal use of prescribed and over-the-counter drugs is permitted on the job only if it does not impair an employee's ability to perform the job safely and if it does not affect the safety or well being of other individuals in the workplace.

Non-Discrimination Policy – The Town of Hillsdale will not discriminate against an applicant or employee because of past substance abuse provided it can be demonstrated that the applicant/employee has received appropriate treatment and tests negative for controlled substance use. It is the current use of alcohol and controlled substances that will not be tolerated in the workplace.

Employee Assistance – It is the policy of the Town to work with an employee suffering from substance abuse so that the employee will receive assistance necessary to overcome dependency. An employee seeking such assistance is encouraged to contact the employee’s Department Head or the Town Board member responsible for the HR function to discuss the situation before problems begin to surface in the workplace. Any disclosures made by an employee will be treated as strictly confidential to the greatest extent practicable. The employee's decision to seek assistance will not be used as the basis for disciplinary action nor used against the employee in any disciplinary proceeding.

Employee Responsibilities – As a condition of the Town receiving Federal grant monies, each employee must abide by this policy and notify the employee’s Department Head or the Town Board member responsible for the HR function of any criminal drug statute conviction for a violation occurring in the workplace within five calendar days of the conviction.

Town Responsibilities – The Town will notify the granting federal agency within ten days after receiving notice from an employee of such a conviction or otherwise receiving actual notice of such conviction. In addition, within thirty calendar days of receiving notice of a conviction, the Town will take disciplinary action against the employee and/or require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program pursuant to Sections 702 and 703 of the Drug-Free Workplace Act.

Drug-Free Awareness Program – It is the policy of the Town of Hillsdale to maintain a drug-free workplace. In accordance with that policy, the Town is providing the following drug-free awareness information to raise employee awareness of the dangers associated with drug abuse in the workplace.

Accidents can be prevented through use of reasonable precautions and the practice of safe working habits.

Employee Responsibility – In an effort to protect all employees and to safeguard equipment and property, before an employee begins a given task, it is the employee's responsibility to understand the correct operation and possible hazards involved, safety procedures, and necessary safety equipment required to perform the job.

- When an accident occurs which results either in the loss of an employee's work time, or in the provision of medical care to an employee, the employee must immediately notify the Department Head or the Town Board member responsible for the HR function who will in turn notify the Town Clerk. The Town Clerk must complete an *Employer's Report of Injury Form (C-2F)* and submit according to operating procedures.
- When an accident occurs which does not result in the loss of an employee's work time, or in the provision of medical care to the employee, the employee must immediately notify the Department Head or the Town Board member responsible for the HR function who will in turn notify the Town Clerk. 902 Hazard Communication Program

Statement of Compliance – The Town of Hillsdale is committed to providing a safe and healthy work environment and complies with all Federal, State and local laws regarding hazard recognition, accident prevention, and working conditions. The Town considers Hazard Communication and the prevention of workplace injuries and illnesses to be of prime importance.

Guidelines – The following guidelines for the identification of chemical hazards and the preparation and proper use of containers, labels, placards, and other types of warning devices must be adhered to:

- **Chemical Inventory** – The Town must maintain an inventory of all known chemicals in use. An employee may obtain the chemical inventory from the employee's Department Head.
- **Container Labels** – All chemicals on a work-site must be stored in the original or approved containers with the proper label attached. The Department Head must ensure that each container is labeled with the identity of the hazardous chemical contained and any appropriate hazard warnings. The Town will rely on manufacturer applied labels whenever possible. A container that is not labeled or on which the manufacturer's label has been removed, must be properly labeled. A container not properly labeled must be given to the Department Head for labeling or proper disposal.
- **Dispensing Chemicals** – An employee may dispense chemicals from original containers only in small quantities intended for immediate use. Any chemical leftover must be returned to the original container or to the Department Head for proper handling. No unmarked containers of any size are to be left in the work area unattended.

An employee who is required to wear special safety equipment as directed by the supervisor must comply with the supervisor's request.

Emergency Response – Any incident of overexposure or spill of a hazardous chemical/substance must immediately be reported to the employee's supervisor. The supervisor must insure that proper emergency response actions are taken.

Hazards of Non-Routine Tasks – The Department Head must inform employees of any special tasks that may arise which would involve possible exposure to hazardous chemicals. Review of safe work procedures and use of required PPE must be conducted prior to the start of these tasks. Where necessary, areas will be posted to indicate the nature of the hazard involved.

1000 COMMUNICATION PROCEDURES

1001 Organizational Communications

Summary – The Town Board is committed to assuring effective communications between the Board and employees. The success of the organization is dependent upon a set of common interests and goals that are achieved through teamwork, sharing of ideas, and effective communications of our short-term and long-term plans. From time to time, information and updates will be distributed to employees. All employees are encouraged to discuss this information with their Department Head should there be any questions.

Methods of Communication – Information will be communicated to employees in a variety of ways, including general and departmental meetings, e-mail distributions, memos and other written correspondence, notices distributed with paychecks, and posting of information. Employees should check bulletin boards frequently to keep informed on changes in employment matters and other items of interest. Except as otherwise provided by a collective bargaining agreement, all material to be posted on bulletin boards, including memos and announcements, must have the prior approval of the appropriate Department Head.

1002 Adverse Communications

Policy Statement – An employee who receives any communication of a negative nature directed to the Town, or to any of its officers or employees in their official capacity, shall immediately notify and/or forward the communication to the appropriate Department Head or Elected Official. The term “communication” shall refer to both written and verbal communications, and includes, but is not limited to, memoranda, faxes, messages, letters, legal notices, e-mails, summonses and other communications.

1003 Suggestions

Policy Statement – Giving and receiving feedback is encouraged in order to promote a positive, productive, and cooperative atmosphere. Employees should notify their Department Head or an Elected Official of any suggestions which may be valuable to the Town’s productivity and success. All suggestions will be carefully reviewed and may be implemented if feasible.

1004 Public Relations

Policy Statement – The courteous, professional treatment of members of the public by all employees helps to build confidence among the citizens we serve. We require all employees to make every effort to represent the Town in a polite and professional manner.

1005 Reporting of Improper Activities

Policy Statement – Any employee who witnesses or becomes aware of an inappropriate action, improper financial circumstance, inappropriate use of Town funds or property, safety issue, or other matter that appears to be improper, should immediately make his or her Department Head, the Town Supervisor, or any Town Board member aware of the issue. When an imminent and serious danger to public health or safety exists, an employee may see fit to immediately report violations to law enforcement or other applicable governing body. Even if you are in doubt about what you witnessed or were made aware of you should report the matter.

Retaliation – Under Section 75-B of New York State Civil Service Law, New York State Public Sector Whistleblower Law, an employee, who in good faith, discloses to a governmental body information regarding a violation of law, a substantial and specific danger to the public health or safety, or an improper governmental action which the employee reasonably believes to be true, shall be protected from any adverse personnel action including, but not limited to: termination, disciplinary action, or changes in compensation. Any Town employee or officer who commits or condones any form of retaliation against anyone who in good faith reports alleged misconduct will be subject to discipline up to, and including, termination.

1100 DISPUTE RESOLUTION

1101 *Dispute Resolution Procedure*

Policy Statement – The Town Board has established a set of procedures to provide for the orderly resolution of differences at the earliest possible stage and to promote a harmonious and cooperative relationship between employees, Department Heads and members of the Town Board which will enhance the overall operation of the Town. The Town will attempt to resolve all work-related complaints that are appropriate for handling under this policy.

Definition of Dispute – For the purpose of this Employee Handbook, a “dispute” will mean a claimed violation, misinterpretation or inequitable application of any of the provisions of this Employee Handbook. In addition, the term “dispute” shall not apply to any matter as to which the Town is without authority to act. A few examples of matters that may be considered appropriate disputes under this policy include:

- A belief that Town policies, practices, rules, regulations, or procedures have been applied in a manner detrimental to an employee;
- Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, salary, or seniority.

Step One – An employee who claims to have a dispute may present the dispute to the employee’s Department Head. The dispute must be submitted, in writing, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge. The dispute will specify the date of submission, the name of the aggrieved employee, the date the dispute arose, the nature of the dispute, the provision of the Employee Handbook that was allegedly violated and a statement of facts, times, dates, and the remedy sought.

Within seven working days after receiving the dispute, the employee’s Department Head will meet with the employee to discuss and attempt to resolve the matter.

Step Two – In the event the informal dispute is not resolved at Step One, or the employee reasonably believes that the employee cannot present the dispute to the employee’s Department Head, the employee may submit the matter to the Town Supervisor. The dispute must be submitted, in writing, within seven working days from receiving the Step One response, or when the response should have been received or if Step One is not utilized for the above reason, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge.

Within seven working days after receiving the dispute, the Town Supervisor will meet with the employee to discuss and attempt to resolve the matter. Within seven working days from the meeting, the Town Supervisor will issue a written response.

Step Three – In the event the employee is not satisfied with the response at Step Two, the employee may submit the matter to the full Town Board by filing a Request for Hearing with the Town Clerk. The Request for Hearing must be submitted, in writing, within seven working days from receiving the Step Two response, or when the response should have been received. The Request for Hearing will include a written statement of the dispute as outlined in Step One of this Procedure.

The Town Board will set the time and place for the hearing. All decisions rendered by the Town Board will be final and binding.

Time Limits – The employee must adhere to the time limits set forth in this dispute procedure. In the event the employee does not advance the dispute to the next step within the established time limit, the dispute will be considered withdrawn and no further appeal will be accepted. The time limits may be extended by mutual agreement provided the extension is in writing, dated and signed by the employee and the person who is to receive the dispute.

Final Decisions – Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are stated as official Town policy.

Proper Use of Dispute Resolution Procedure – Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises a dispute in bad faith or solely for the purposes of delay or harassment, or repeatedly raises meritless disputes. Implementation of the dispute procedure by an employee does not limit the right of the Town to proceed with any disciplinary action that is not in retaliation for the use of this procedure.

Refusal to Proceed with Dispute – The Town Board may, at its discretion, refuse to proceed with any dispute it determines is improper or baseless under this policy.

Union Employees – An employee who is a member of a collective bargaining unit should refer to the applicable collective bargaining agreement to determine if the employee's dispute (grievance) may be subject to the grievance procedure contained in the employee's collective bargaining agreement.

Purpose, Scope, Situation Overview, and Assumptions

Purpose

This plan has been developed in accordance with the amended New York State Labor Law section 27-c and New York State Education Law paragraphs k and l of subdivision 2 of section 2801-a (as amended by section 1 of part B of chapter 56 of the laws of 2016), as applicable. These laws were amended by the passing of legislation S8617B/A10832 signed by the Governor of New York State on September 7, 2020, requires public employers to adopt a plan for operations in the event of a declared public health emergency involving a communicable disease. The plan includes the identification of essential positions, facilitation of remote work for non-essential positions, provision of personal protective equipment, and protocols for supporting contact tracing.

Scope

This plan was developed exclusively for and is applicable to the Town of Hillsdale. This plan is pertinent to a declared public health emergency in the State of New York which may impact our operations; and it is in the interest of the safety of our employees and contractors, and the continuity of our operations that we have promulgated this plan.

Situation Overview

On March 11, 2020 the World Health Organization declared a pandemic for the novel coronavirus which causes the COVID-19 severe acute respiratory syndrome. This plan has been developed in accordance with amended laws to support continued resilience for a continuation of the spread of this disease or for other infectious diseases which may emerge and cause a declaration of a public health emergency.

The health and safety of our employees and contractors is crucial to maintaining our mission essential operations. We encourage all employees and contractors to use [CDC Guidance for Keeping Workplaces, Schools, Homes, and Commercial Establishments Safe](#). The fundamentals of reducing the spread of infection include:

- Using hand sanitizer and washing hands with soap and water frequently,
 - After using the restroom
 - After returning from a public outing
 - After touching/disposing of garbage
 - After using public computers, touching public tables, and countertops, etc.
- Practice social distancing when possible
- If you are feeling ill or have a fever, notify your supervisor. Go home.
- If you start to experience coughing or sneezing, step away from people and food, cough or sneeze into the crook of your arm or a tissue, the latter of which should be disposed of immediately.
- Clean and disinfect workstations at the beginning, middle, and end of each shift.

- Other guidance, which may be published by the CDC, the State Department of Health, or County health officials.

Planning Assumptions

This plan was developed based on information, best practices, and guidance available as of the date of publication. The plan was developed to largely reflect the circumstances of the current Coronavirus pandemic but may also be applicable to other infectious disease outbreaks.

The following assumptions have been made in the development of this plan:

- The health and safety of our employees and contractors, and their families, is of utmost importance.
- The circumstances of a public health emergency may directly impact our own operations.
- Impacts of a public health emergency will take time for us to respond to, with appropriate safety measures put into place and adjustments made to operations to maximize safety.
- The public and our constituency expects us to maintain a level of mission essential operations.
- Resource support from other jurisdictions may be limited based upon the level of impact the public health emergency has upon them.
- Supply chains, particularly those for personal protective equipment (PPE) and cleaning supplies, may be heavily impacted, resulting in considerable delays in procurement.
- The operations of other entities, including the private sector (vendors, contractors, etc.), non-profit organizations, and other governmental agencies and services may also be impacted due to the public health emergency, causing delays or other disruptions in their services.
- Emergency measures and operational changes may need to be adjusted based upon the specific circumstances and impacts of the public health emergency, as well as guidance and direction from public health officials and the governor.
- Per S8617B/A10832, 'essential employee' is defined as a public employee or contractor that is required to be physically present at a work site to perform their job.

- Per S8617B/A10832, ‘non-essential employee’ is defined as a public employee or contractor that is not required to be physically present at a work site to perform their job.

Concept of Operations

The Town Supervisor of the Town of Hillsdale, their designee, or their successor holds the authority to execute and direct the implementation of this plan. Implementation, monitoring of operations, and adjustments to plan implementation may be supported by additional personnel, at the discretion of the Town Supervisor.

Upon the determination of implementing this plan, all employees and contractors of the Town of Hillsdale shall be notified by town-wide email, with details provided as possible and necessary, with additional information and updates provided on a regular basis. Employees and contractors will be notified of pertinent operational changes by way of e-mail. Other interested parties, such as vendors, will be notified by phone and/or email as necessary. The Town Supervisor will maintain communications with the public and constituents as needed throughout the implementation of this plan.

The Town Supervisor of the Town of Hillsdale, their designee, or their successor will maintain awareness of information, direction, and guidance from public health officials and the Governor’s office, directing the implementation of changes as necessary.

Upon resolution of the public health emergency, the Town Supervisor of the Town of Hillsdale, their designee, or their successor will direct the resumption of normal operations or operations with modifications, as necessary. Any changes in this Plan that conflict with the Collective Bargaining Agreement will need to be discussed and approved with Teamsters Local 294 prior to implementation.

Mission Essential Functions

When confronting events that disrupt normal operations, the Town of Hillsdale is committed to ensuring that essential functions will be continued even under the most challenging circumstances.

Essential functions are those functions that enable an organization to:

1. Maintain the safety of employees, contractors, and our constituency.
2. Provide vital services.
3. Provide services required by law.
4. Sustain quality operations.
5. Uphold the core values of the Town of Hillsdale.

The Town of Hillsdale has identified as critical only those priority functions that are required or are necessary to provide vital services. During activation of this plan, all other activities may be suspended to enable the organization to concentrate on providing the critical functions and building the internal capabilities necessary to increase and eventually restore operations. Appropriate communications with employees, contractors, our constituents, and other stakeholders will be an ongoing priority.

Essential functions are prioritized according to:

- The time criticality of each essential function
- Interdependency of a one function to others
- The recovery sequence of essential functions and their vital processes

Priority 1 identifies the most essential of functions, with priority 4 identifying functions that are essential, but least among them.

The mission essential functions for Town of Hillsdale have been identified as:

Essential Function	Description	Priority
Town Garage	To maintain the operations pertaining to the roads and equipment needed for those duties.	1
Town Hall	While Town Hall may be closed to the public, Town officials will maintain operational town government and all of its services by phone, email, virtual meetings and appointments	1

Essential Positions

Each essential function identified above requires certain positions on-site to effectively operate. The table below identifies the positions or titles that are essential to be staffed on-site for the continued operation of each essential function. Note that while some functions and associated personnel may be essential, some of these can be conducted remotely and do not need to be identified in this section.

Reducing Risk Through Remote Work and Staggered Shifts

Through assigning certain staff to work remotely and by staggering work shifts, we can decrease crowding and density at work sites and on public transportation.

Remote Work Protocols

Non-essential employees and contractors able to accomplish their functions remotely will be enabled to do so at the greatest extent possible. Working remotely requires:

1. Identification of staff who will work remotely*
2. Approval and assignment of remote work
3. Equipping staff for remote work, which may include:
 - a. Internet capable laptop
 - b. Necessary peripherals
 - c. Access to VPN and/or secure network drives
 - d. Access to software and databases necessary to perform their duties

* NOTE: phone lines may need to be forwarded to off-site staff

The Town Supervisor will designate which staff can work from a remote location and oversee the distribution of computers etc. as needed. Hours of operation open to the public may be altered for the safety of all parties. Protective actions may include but are not limited to,

occupancy restrictions, protective barriers and increased conduct of business by phone or internet. Protective actions will be taken in accordance with NY State, CDC and Columbia County guidelines.

Staggered Shifts

Implementing staggered shifts may be possible for personnel performing duties which are necessary to be performed on-site but perhaps less sensitive to being accomplished only within core business hours. As possible, management will identify opportunities for staff to work outside core business hours as a strategy of limiting exposure. Regardless of changes in start and end times of shifts, Town of Hillsdale will ensure that employees are provided with their typical or contracted minimum work hours per week. Staggering shifts requires:

1. Identification of positions for which work hours will be staggered.
2. Approval and assignment of changed work hours should be in accordance with the Town Supervisor.

Personal Protective Equipment

The use of personal protective equipment (PPE) to reduce the spread of infectious disease is important to supporting the health and safety of our employees and contractors. PPE, which may be needed, can include:

- Masks
- Face shields
- Gloves
- Hand sanitizer
- Hand soap

Note that while cleaning supplies are not PPE, there is a related need for cleaning supplies used to sanitize surfaces, as well as hand soap and hand sanitizer. The Coronavirus pandemic demonstrated that supply chains were not able to keep up with increased demand for these products early in the pandemic. As such, we are including these supplies in this section as they are pertinent to protecting the health and safety of our employees and contractors.

Protocols for providing PPE include the following:

1. Identification of need for PPE based upon job duties and work location.
2. Procurement of PPE
 - a. As specified in the amended law, public employers must be able to provide at least two pieces of each required type of PPE to each essential employee and contractor during any given work shift for the duration of the crisis.

- b. Public employers must be able to mitigate supply chain disruptions to meet this requirement.
- 3. Storage of, access to, and monitoring of PPE stock.
 - a. PPE must be stored in a manner which will prevent degradation
 - b. Employees and contractors must have immediate access to PPE in the event of an emergency.
 - c. The supply of PPE must be monitored to ensure integrity and to track usage.
 - d. Supplies will be handled by the Town Clerk and/or Highway Superintendent.

Staff Exposures, Cleaning, and Disinfection

Staff Exposures

Staff exposures are organized under several categories based upon the type of exposure and presence of symptoms. Following CDC guidelines, we have established the following protocols:

- A. If employees or contractors are exposed to a known case of communicable disease that is the subject of the public health emergency (defined as a ‘close contact’ with someone who is confirmed infected, which is a prolonged presence within six feet with that person):
 - 1. Potentially exposed employees or contractors who do not have symptoms should remain at home or in a comparable setting and practice social distancing for the lesser of 14 days or other current CDC/public health guidance for the communicable disease in question.
 - a. As possible, these employees will be permitted to work remotely during this period if they are not ill.
 - b. The Town Supervisor and/or Highway Superintendent will be notified and will be responsible for monitoring the person.
 - 2. CDC guidelines for COVID-19 provide that critical essential employees may be permitted to continue to work following potential exposure, provided they remain symptom-free and additional precautions are taken to protect them, other employees and contractors, and our constituency/public.
 - a. Additional precautions will include the requirement of the subject employee or contractor, as well as others working in their proximity, to always wear appropriate PPE to limit the potential of transmission.
 - b. In-person interactions with the subject employee or contractor will be limited as much as possible.
 - c. Work areas in which the subject employee or contractor are present will be disinfected according to current CDC/public health protocol as practical. See the section on Cleaning and Disinfection for additional information on that subject.
 - d. If at any time they exhibit symptoms, refer to item B below.
 - e. The Town Supervisor and/or Highway Superintendent is responsible for making these decisions.

If an employee or contractor exhibits symptoms of the communicable disease that is the subject of the public health emergency:

1. Employees and contractors who exhibit symptoms in the workplace should be immediately separated from other employees, customers, and visitors. They should immediately be sent home with a recommendation to contact their physician.
2. Employees and contractors who exhibit symptoms outside of work should notify their supervisor and stay home, with a recommendation to contact their physic
3. Employees should not return to work until they have met the criteria to discontinue home isolation per CDC/public health guidance and have consulted with a healthcare provider.
4. Town of Hillsdale will require sick employees to provide a negative test result for the disease in question or healthcare provider's note to validate their illness, qualify for sick leave, or return to work; unless there is a recommendation from the CDC/public health officials to do so.
5. CDC criteria for COVID-19 provides that persons exhibiting symptoms may return to work if at least 24 hours have passed since the last instance of fever without the use of fever-reducing medications. If the disease in question is other than COVID-19, CDC and other public guidance shall be referenced.
6. The Town Supervisor must be informed in these circumstances and who is responsible that these protocols be followed.

B. If an employee or contractor has tested positive for the communicable disease that is the subject of the public health emergency:

1. Apply the steps identified above, as applicable.
2. Areas occupied for prolonged periods of time by the subject employee or contractor will be closed off.
 - a. CDC guidance for COVID-19 indicates that a period of 24 hours is ideally given before cleaning, disinfecting, and reoccupation of those spaces will take place. If this time period is not possible, a period of as long as possible will be given. CDC/public health guidance for the disease in question will be followed.

Any common areas entered, surfaces touched, or equipment used shall be cleaned and disinfected immediately.

3. Identification of potential employee and contractor exposures will be conducted.
 - a. If an employee or contractor is confirmed to have the disease in question, their designee should inform all contacts of their possible exposure. Confidentiality shall be maintained as required by law.
 - b. Apply the steps identified in item A, above, as applicable, for all potentially exposed personnel. We recognize there may be nuances or complexities associated with potential exposures, close contacts, symptomatic persons, and those testing positive. We will follow CDC/public health recommendations and requirements and

- coordinate with our local public health office for additional guidance and support as needed.
- c. The Town Supervisor and/or Highway Superintendent is responsible for enforcing these protocols.

Cleaning and Disinfecting

CDC/public health guidelines will be followed for cleaning and disinfection of surfaces/areas. Present guidance for routine cleaning during a public health emergency includes:

1. As possible, employees and contractors will clean their own workspaces in the beginning, middle, and end of their shifts, at a minimum.
 - a. High traffic/high touch areas and areas which are accessible to the public/constituents will be disinfected. The cleaning staff will disinfect twice a week and a professional cleaning company will be hired to sanitize if someone tests positive or becomes ill.
2. Staff tasked with cleaning and disinfecting areas will be issued and required to wear PPE appropriate to the task.
3. Soiled surfaces will be cleaned with soap and water before being disinfected.
4. Surfaces will be disinfected with products that meet EPA criteria for use against the virus in question and which are appropriate for that surface.
5. Staff will follow instructions of cleaning products to ensure safe and effective use of the products.

Employee and Contractor Leave

Public health emergencies are extenuating and unanticipated circumstances in which the Town of Hillsdale is committed to reducing the burden on our employees and contractors. The *Families First Coronavirus Response Act* provided requirements related to the COVID-19 pandemic, which form the policies outlined below. This Act expired on December 31, 2020. This policy may be altered thereafter or based upon changes in law or regulation interim, as applicable.

It is our policy that employees of the Town of Hillsdale will not be charged with leave time for testing. Employees will be provided with up to two weeks (70 hours or 80 hours dependent on their regular scheduled two week pay period) of paid sick leave at the employee's regular rate of pay for a period which the employee is unable to work due to quarantine (in accordance with federal, state, or local orders or advice of a healthcare provider), and/or experiencing symptoms and seeking medical diagnosis. Further, in accordance with the NYS Department of Labor, if an employee, who has already utilized COVID-19 Sick Leave pay and subsequently tests positive, they shall be entitled to two additional periods of paid COVID-19 Sick Leave if each of the subsequent leaves are a result of positive test.

Further, through March 31, 2021, the Town of Hillsdale will provide up to two weeks (70 hours or 80 hours dependent on their regular scheduled two week pay period) of paid sick leave at two-thirds the employee's regular rate of pay if the employee is unable to work because of a bona fide need to care for an individual subject to quarantine (pursuant to federal, state, or local orders

or advice of a healthcare provider), or to care for a child (under 18 years of age) whose school or child care provider is closed or unavailable for reasons related to the public health emergency, and/or the employee is experiencing a substantially similar condition as specified by the CDC/public health officials. This provision may be modified if an employee is able to effectively work remotely and the need exists for them to do so.

Additionally, the Town of Hillsdale will provide up to an additional 10 weeks of paid expanded family and medical leave at two-thirds of the employee's regular rate of pay where an employee, who has been employed for at least 30 calendar days by the Town of Hillsdale, is unable to work due to a bona fide need for leave to care for a child whose school or child care provider is closed or unavailable for reasons related to the public health emergency. This provision may be modified if an employee is able to effectively work remotely and the need exists for them to do so.

Additional provisions may be enacted based upon need and the guidance and requirements in place by federal and state employment laws, FMLA, executive orders, and other potential sources.

Non-Employees/Contractors, either independent or affiliated with a contracted firm, are not classified as employees of the Town of Hillsdale, and as such are not provided with paid leave time by the Town of Hillsdale, unless required by law.

Documentation of Work Hours and Locations

In a public health emergency, it may be necessary to document work hours and locations of each employee and contractor to support contact tracing efforts. Identification of locations shall include on-site work, off-site visits. This information may be used by the Town of Hillsdale to support contact tracing within the organization and may be shared with local public health officials.

Work hours are documented and given to the Town Clerk for payment.
